Dear Dr. Loreto,

Good day!

We, the fourth-year BS Chemistry students at Visayas State University (VSU) are currently conducting our thesis studies at the Department of Pure and Applied Chemistry (DoPAC), and we have encountered several concerns which affected our target timeline to finish our thesis experiments.

In line with this, we would like to ask permission to allow us to conduct our theses overnight to be accompanied by Mervin June B. Gasatan, instructor of DoPAC, on June 08 and June 09, 2022.

Hoping for a positive consideration towards this request. Thank you, and God bless!

Very truly yours,

  
SWEET MILLANE V. SALABO
