**LEGAL OPINION/COMMENT**

Dear Sir,

This office received a Memorandum of Agreement (MOA) between Visayas State University (VSU) and Philippine Atmospheric Geophysical and Astronomical Services Administration (PAGASA) regarding the renewal of agreement to convert the present Agromet Station at its present location to Synoptic Station.

After a careful review of the said document, this office finds nothing legally objectionable therein considering that the same is in order, not contrary to law, morals or public policy and public order.

Thank you very much.
