Dear **Ms. Castañeda**,

Greetings!

The Department of Meteorology would like to request your office to merge the following Lecture and Lab offerings for **ESci 114: Physics for Engineers (calculus-based)** for 2<sup>nd</sup> Sem A.Y 2021-2022 because these offerings have only few enrollees.

LEC classes for merging:

Offering No.	Course Code	Time	Day	Lec/Lab	No. of Enrollees as of Feb 28, 2022
A137	ESci 114	14:30-16:00	TTh	Lec	6
A139	ESci 114	08:30-10:00	MW	Lec	5

LAB classes for merging:

Offering No.	Course Code	Time	Day	Lec/Lab	No. of Enrollees as of Feb 28, 2022
A138	ESci 114	13:00-16:00	F	Lab	6
A140	ESci 114	07:00-10:00	F	Lab	5

The Instructor, Ms. Evelyn A. Albia, had already communicated with all the eleven (11) enrolled students to come up with a new schedule that is common to all of them and will not conflict with the other subjects they've enrolled. They have agreed that their new class schedules will be as follows:

- LEC: 02:30 – 04:00 Wed & 10:00 – 11:30 Fri
- LAB: 07:00 – 10:00 Fri

Thank you for your untiring support to the department.

Very truly yours,

**DANIEL C. LOR**

Head, Department of Meteorology
