Dear Dr. Tulin:

Good day to you!

I am Alfren Ray M. Boholst. I was a 2nd year student who only finished 1 semester last Academic Year 2020-2021. I wasn't able to enroll for the 2nd semester because I was having a hard time adjusting to the new way of learning. I was also having a hard time on catching up and I loss focus on the given tasks by the instructors because of the things that was happening around me. After deciding on not enrolling, I distance myself from social media to regain my focus and was not able to message my instructor about dropping out of school. I also wasn't able to file a Leave of Absence.

After having a time to reflect and adapt in the new normal, I have decided to enroll again. I wish to be re-admitted in the university this academic year 2021-2022, 2nd semester in the same course, BpEd. If given a chance to be re-admitted, I promise to put my focus on the task that will be given to me and continue doing good at my studies. I hope to be re-admitted and pursue my studies in the University.

Respectfully yours,

Alfren Ray M. Boholst
