Dear **Dr. Patindol**:

Mabuhay!

Warm greetings from the **National Service Training Program (NSTP) Office**.

We are pleased to extend our invitation to the following faculty members from your office:

1. Kit Felian C. Tenio
2. Kleer Jeann Longatang
3. Angelita B. Orias
4. Serica Joy C. Dadios

We would be honored to have **them as guest speakers for our upcoming Saturday session on Environmental Protection**, a key component of our Common Module Sessions for First Year students this First Semester of S.Y. 2025–2026.

We believe their expertise and insights will greatly enrich our students' Civic Welfare Training Service experience—particularly in fostering a deeper understanding of environmental protection as a vital aspect of responsible citizenship. **Through engaging discussions on the effects of global warming and climate change, the seven environmental principles and laws, and the importance of forest protection, conservation, and development**, they will help inspire our students to become proactive advocates for sustainability and environmental stewardship.

The session is scheduled for **Saturday, October 4, 2025, in the morning at the VSU Gymnasium**.

We are confident that their presence will leave a lasting impact on our students. We sincerely hope you will accept our invitation, and we look forward to welcoming your faculty members to this meaningful event.

Thank you very much and God bless!
