

QUARTERLY RESEARCH PROGRESS REPORT

QUARTER: 1st of 2023

Research Title: More than just food: Exploration of the perceptions ascribed to food by the different social groups in Eastern Visayas

I. Program/Project/Study Objectives (*Please specify if it is a program/ project/study*):

1. provide an overview of the diverse meanings ascribed by the different social groups in Eastern Visayas region and nearby provinces to healthy and unhealthy food. Additionally, this study would examine the various factors that could facilitate and/or inhibit people from consuming healthy food as well as their future visions of healthy food systems; and
2. recommend a more inclusive food policy directions and strategies.

II. Relevance to VSU & College's Thrust and Priorities:

This research is relevant to food security and nutrition which are research priority of VSU.

III. Highlights of accomplishments within the quarter

A. Targets for the quarter

- *Collected data*
- *Write book chapter*

B. Highlights of accomplishments

- Submitted book chapter to the editor and compiled together with the work of other contributors. The book was accepted for publication at Springer Geography.
- The publisher had comments and the chapter will be revised.

IV. Physical Report of Operation

A. Research Program

	Particulars/Name and Brief Description of Utilized/ Commercialized Technologies	Number
Outcome Indicator		
1. Number of research outputs utilized by the industry or by other beneficiaries	n/a	
Output Indicator		
1. Number of research outputs completed within the year	On-going	1
