Dear **Pres. Yepes**,

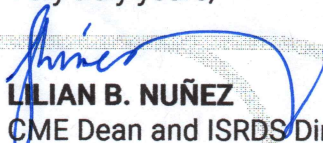

ISRDS turned 43 on September 5, 2024 but we are celebrating our anniversary on Thursday, September 26, 2024 at the Eco-FARMI Training Hall in consideration of the availability of our resource persons for the anniversary forum. With the theme, "ISRDS @ 43: Interrogating the Role of the Social Sciences in Building a Global Green University for Social Transformation," we invited a keynote speaker and two other social scientists who can help us attain the aim of the forum which is to come up with insights on the future direction of ISRDS particularly on the trajectory of our MS in Development Sociology program, which currently faces challenges in earning a Certificate of Program Compliance (COPC) from CHED.

In appreciation of their valuable contribution, and as VSU guests, they will be provided food and accommodation, as well as tokens and plane tickets. Particularly, CME will be shouldering the accommodation of one resource person, Ms. Jenina Joy Chavez, who hails from Manila. She will be accommodated at the VSU Apartelle for the period September 25-27, 2024. ISRDS will take care of her meals, token, and transportation within VSU during the event. Meanwhile, Ms. Chavez's plane fare and transportation expenses to and from the Tacloban airport will be charged to another source.

We, therefore, earnestly request that the guest's two-day accommodation at the VSU Apartelle be charged to CME, and her meals, token, and within-VSU transportation be charged to ISRDS.

Thank you so much for your approval of this request and the overall support of our programs and projects.

Very truly yours,

  
**LILIAN B. NUÑEZ**  
CME Dean and ISRDS Director
