

December 6, 2021

**DR. ROLLY G. FUENTES**

Associate Professor  
Division of Natural Sciences and Mathematics  
University of the Philippines- Visayas Tacloban College  
Tacloban City  
6500

Dear **Dr. Fuentes**:

The Department of Physics, which was recently created last August 1, 2021, in collaboration with the Department of Physics of the University of San Carlos will be holding a symposium entitled "**Trends in Soft Matter Research and Applications**" on February 4, 2022 (9:00 AM - 4:00 PM, Friday) via Zoom. The primary purpose of this event is to introduce the faculty and staff of Visayas State University and interested participants to the emerging trends of soft matter research and its applications.

In line with this, I would like to invite you to be one of the speakers for the said event. Your expertise and experience in natural product extraction research will greatly help the faculty and students of VSU and other participants in their research endeavors.

We hope you will fit this event into your busy schedule. Please feel free to contact me at this phone numbers 09083160053/ 053-565-0600 loc. 1121 or email us at [dphys@vsu.edu.ph](mailto:dphys@vsu.edu.ph).

Anticipating your favorable response regarding this matter and greatly appreciate you considering this request.

Thank you very much.

Sincerely yours,

  
**REV RHIZZA L. AURE**  
Head, Department of Physics

Noted:

**MA. THERESA P. LORETO**  
Dean, CAS

December 6, 2021

**DR. JONATHAN H. PEREZ**

Chairman

Department of Food Science and Technology

University of Science and Technology

Cagayan de Oro City

9000

Dear **Dr. Perez**:

The Department of Physics, which was recently created last August 1, 2021, in collaboration with the Department of Physics of the University of San Carlos will be holding a symposium entitled "**Trends in Soft Matter Research and Applications**" on February 4, 2022 (9:00 AM - 4:00 PM, Friday) via Zoom. The primary purpose of this event is to introduce the faculty and staff of Visayas State University and interested participants to the emerging trends of soft matter research and its applications.

In line with this, I would like to invite you to be one of the speakers for the said event. Your expertise and experience in computational fluid dynamics and structural mechanics will greatly help the faculty and students of VSU and other participants in their research endeavors.

We hope you will fit this event into your busy schedule. Please feel free to contact me at this phone numbers +63 9083160053/+63 53-565-0600 loc. 1121 or email us at [dphys@vsu.edu.ph](mailto:dphys@vsu.edu.ph).

Anticipating your favorable response regarding this matter and greatly appreciate you considering this request.

Thank you very much.

Sincerely yours,

  
**REV RHIZZA L. AURE**

Head, Department of Physics

**DR. LEMUEL M. DIAMANTE**

Senior Food Technologist  
Seperex Nutritionals  
Dunedin, Otago  
New Zealand

Dear **Dr. Diamante**:

The Department of Physics, which was recently created last August 1, 2021, in collaboration with the Department of Physics of the University of San Carlos will be holding a symposium entitled **"Trends in Soft Matter Research and Applications"** on February 4, 2022 (9:00 AM - 4:00 PM, Friday) via Zoom. The primary purpose of this event is to introduce the faculty and staff of Visayas State University and interested participants to the emerging trends of soft matter research and its applications.

In line with this, I would like to invite you to be one of the speakers for the said event. Your expertise and experience in bioactives extraction research will greatly help the faculty and students of VSU and other participants in their research endeavors.

We hope you will fit this event into your busy schedule. However, if you are not available on the said date, we still have ample time to make some date changes to accommodate your availability. Please feel free to contact me at this phone numbers +63 9083160053/+63 53-565-0600 loc. 1121 or email us at [dphys@vsu.edu.ph](mailto:dphys@vsu.edu.ph).

Anticipating your favorable response regarding this matter and greatly appreciate you considering this request.

Thank you very much.

Sincerely yours,

**REV RHIZZA L. AURE**  
Head, Department of Physics

December 6, 2021

**DR. ROMMEL G. BACABAC**

Head  
Medical Biophysics Group  
University of San Carlos,  
Cebu City  
6000

Dear Dr. Mel:

The Department of Physics (DPhys), which was recently created last August 1, 2021, will be holding a symposium entitled **"Trends in Soft Matter Research and Applications"** on February 4, 2022 (9:00 AM - 4:00 PM, Friday) via Zoom. The primary purpose of this event is to introduce the faculty and staff of Visayas State University and interested participants to the emerging trends of soft matter research and its applications.

On behalf of the Department of Physics faculty and staff, I would like to invite you to be our keynote speaker for the said event. Your expertise and experience in soft matter research will greatly help the faculty and students of VSU and other participants in their research endeavors.

We hope you will fit this event into your busy schedule. However, if you are not available on the said date, we still have ample time to make some date changes to accommodate your availability. Please feel free to contact me at this phone numbers 09083160053/ 053-565-0600 loc. 1121 or email us at [dphys@vsu.edu.ph](mailto:dphys@vsu.edu.ph).

Anticipating your favorable response regarding this matter and greatly appreciate you considering this request.

Thank you very much.

Sincerely yours,

  
**REV RHIZZA L. AURE**  
Head, Department of Physics
