Dear Sir/ Madam:

The Department of Pure and Applied Chemistry will once again conduct a whole day in-house webinar on Chemical Waste Management and Safety in the Chemical Laboratory Part II on June 17, 2022 via Zoom. The rationale and objectives of this virtual seminar are seen in Page 1 on the attached proposal.

In connection with this, we would like to request that the foresighted budget be charged to Staff Development Plan.

Thank you.

Respectfully Yours,

  
ALLAN A. RAMAL
