Sir / Madam:

I would like to apply for readmission effective 2nd semester / summer 2021 -2022. My last attendance from this University was 2nd semester / summer 2020-2021. I was out of school for one semester because of the following reason(s): I was planning to shift into another course last semester 2021- 2022 but then I missed the due date for processing the shifting form and I came to a conclusion to file a leave of absence letter last semester. This second semester I am planning to enroll myself in my desired field which I think will fit me.

If admitted I promise and pledge to abide by and comply with all the rules and regulations laid down by competent authority in the University and in the College to which I am enrolled.
