Dear **President Tulin**:

Greetings of peace and solidarity!

The Institute of Human Kinetics is celebrating its 46th founding anniversary this 2022 with the theme "Duyog sa Kagahapon, Lihok sa Kaugmaon". The Institute lined up and successfully implemented various activities in its month-long celebration, including the Thanksgiving Mass, Webinar Series, and Community Outreach Program. On March 31, 2022, the Anniversary Culmination Program will be held at 6:30 pm via FB Live with an array of performances tuned to songs of optimism in vibrant hues, taking glimpses of the past as the guiding light of today for a brighter future.

In recognition of your outstanding merits as the President of Visayas State University, the Institute would like to invite you to deliver the program's opening remarks. (Please see the attached program).

Should you accept our invitation, you may send the pre-recorded video to ihk@vsu.edu.ph on or before March 31, 2022, at 1 pm. Thank you very much, and we are looking forward to your positive response.
