Dr. Ma. Rachel Kim L. Aure
Director for Instruction and Evaluation

Dear Dr. Aure:

Greetings in the advent season!

This is to respectfully submit the result of the survey conducted in response to the limited face-to-face implementation across all levels.

Since the College facilitated the stakeholder's consultation sometime in May current year, attached herewith is the consolidated figures from a reinforced review made by year level representatives, in addition to the previously generated documents.

Thank you and more blessings to come!

In Caring,
