President
Visayas State University

Thru: Dr. Maria Juliet C. Ceniza
Vice President for Research,
Extension & Innovation

Dear **Dr. Tulin**,

I want to inform your office that **Engr. Fatima Gumamac**, former Science Research Specialist (SRS) of RERC, **has resigned** from her job last February 23, 2022. She was privileged to be a regular faculty member at Tarlac State University.

Consequently, the RERC hired another SRS, **Ms. Hannamae Andrea M. Gucor**, to **replace Engr. Gumamac**. The RERC had to take this immediate action since the project was ongoing.

I hope this justifies the immediate action of the RERC on the matter of concern. Attached is the resignation letter of Engr. Gumamac.

Thank you, and keep safe always.

Sincerely,

ELDON P. DE PADUA
Director, RERC
