Subject: Request for my published article to be included in the SPA CY2023

Dear **Dr. Peña**,

I hope this message finds you well. I am writing to kindly request from your good office the inclusion of my paper, which was published in December 2022 in our Review of Socio-Economic Research and Development Studies journal, for consideration in the Scientific Publication Award for CY 2023.

Regrettably, I missed the opportunity to apply last year as I was unaware of the call for the Scientific Publication Award for CY 2022 and was profoundly occupied with my responsibilities as the previous Executive Secretary to the VSU President.

Your support in approving my request would be immensely appreciated.

Thank you and have a Blessed day ahead.

Sincerely,
