Dear Dr. Tulin,

Greetings

I am writing to inform your office that Dr. Daniel Helman from the College of Micronesia will be conducting a guest lecture in my Agricultural Development and Policy (AGSC 123) this coming Thursday, March 9, 2023 @ 3-4:30 pm. I have known Dr. Helman at the recent conference that I have attended in Sorsogon City and is willing to give a lecture in one of my classes before going to Mindanao. He will be talking about "The Role of Cooperatives in Attaining Sustainable Development". This is a good topic since one of the chapters in this course will be about cooperatives.

As we are becoming global, having a guest lecturer from outside the Philippines is a good venue for knowledge dissemination and is a good start for work collaborations in the future. In this regard, may I request that Dr. Helman will be provided with accommodation and meals during his stay in our university.

Further, I am attaching herewith the exchange of emails between me and Dr. Hellman regarding the said activity and his curriculum vitae. I am hoping for your positive response on this matter and if you have queries, please do not hesitate to inform me.

God bless and Mabuhay VSU!

Very respectfully yours,

ZYRA MAY H. CENTINO
