

### AUTHORIZATION

The undersigned is authorizing the Office of the Registrar to put in the students' records a "Dropped" mark to my students having "Deferred" marks incurred during the 2<sup>nd</sup> Semester 2019-2020 (see attached) as the last and ultimate deadline for submission of final numerical grades for these "Deferred" marks set on July 18, 2022 by the UADCO has already lapsed. Based on the approved Academic Ease Policy, students who do not get a passing grade (either due to non-compliance or unsatisfactory compliance of course requirements) on the deadline shall be given a "Dropped" instead of a 5.0.

Done this 7<sup>th</sup> day of October 2022 at the Visayas State University, Baybay City, Leyte.
