DR. ROBELYN O. PIAMONTE

In-Charge, Plant Disease Diagnostic Laboratory
VSU Baybay, Leyte

Dear Ma'am:

I hope this letter finds you well.

The Department of Agronomy will host visitors from the Department of Science and Technology-Science Education Institute (DOST-SEI) for a site visit as part of their evaluation for including our PhD in Agronomy in the ASTHRDP scholarship. A key aspect of their assessment involves inspecting university laboratories to ensure the availability of equipment and facilities that support the students enrolled in our program.

In this regard, we would like to request permission to visit the Soil Research, Testing, and Plant Analysis Laboratory (SRTPAL) on April 15, 2025. We would sincerely appreciate your consideration of this request and remain hopeful for your positive response.

Please let us know at your earliest convenience if there are any necessary requirements or arrangements we should make for the visit.

Sincerely,

LUZ G. ASIO
Head-DA

Approved:

ROBELYN O. PIAMONTE, Ph.D.

In-Charge, Plant Disease Diagnostic Laboratory
