President

Visayas State University – Main Campus
Visca, Baybay City, Leyte

Thru:

DR. ELWIN JAY YU

Chief Physician

University Services for Health, Emergency and Rescue (USHER)

Dear Sir,

Greetings!

I am Kristine Joyce O. Quiñones, a resident from Visca and presently working at the University of the Philippines, Los Baños (UPLB), Laguna. I would like to request your good office for an available facility inside the campus where I can perform self-quarantine upon arrival from UPLB to Visca on 15 December 2021.

I would like to spend my holidays with my family and with the current pandemic, I adhere to protocols and guidelines for the prevention of COVID-19 virus infection to others. The Local Government Unit– Baybay City released an Executive Order No. 26, stating that fully vaccinated individuals without COVID-like symptoms (assessed by the Barangay Health Emergency Response Team) will be allowed to go home. I am at present a fully vaccinated individual and hopefully I will be in good health during my travel. Even with full vaccination, my COVID-19 exposure during travel is inevitable which may instill risk of infection to my parents who are already old and vulnerable. Hence, I am imposing myself to undergo self-quarantine for few days before finally heading home.

In July 2020 during my previous return, I was able to avail free accommodation for my quarantine and I am very grateful for the support that were given to me as a locally stranded individual. I am humbly requesting again for a facility where I can self-quarantine and I am willing to compensate my stay, if required. Rest assured that I will follow all the necessary protocols and measures imposed by the university during isolation.

I hope my request will merit your kindest consideration.

Thank you very much.

Respectfully yours,

KRISTINE JOYCE O. QUIÑONES

Visca Resident
