Dr. Santiago T. Peña, Jr.

VP for Research, Extension and Innovation

Visayas State University

Baybay City, Leyte

Dear **Dr. Peña,**

Please be informed that I favorably endorse **Mr. Genesis C. Albarico**, a regular faculty member of the Department of Pure and Applied Chemistry as the new Study 2 Leader of the research entitled "*Propagation of Quality Planting Materials, Carbon Sequestration Potential and Socioecological Assessment of A. malaccensis-based Agroecological Systems in Leyte and Biliran Islands*" which is under the project entitled "*Ecological Assessment and Conservation of Aquilaria malaccensis Through Sustainable Agarwood Production in Leyte and Biliran Islands*" charged to the Internationalization Program. This is in view of my study leave starting this 1st Semester, AY24-25.

Rest assured that all data related to the research have been turned-over and received by **Mr. Albarico** and the project leader.

Very truly yours,

DAVID WINSTON W. TABADA
