Reason(s) for Changing:

The main reason I am changing my course is that I've realized that it's not meant for me. I was struggling so hard coping up with all the lessons and it becomes so hard when pandemic started. The new learning system makes it more difficult for me to adjust. I am shifting to BS in Agribusiness because lately, I've been engaged on business which gives me my new career aspiration and I want to take a level deeper for this course.
