

**PROPOSAL TO RETURN FACE-TO-FACE CLASSES FOR ALL  
CURRICULAR PROGRAMS AND YEAR LEVELS  
STARTING MIDYEAR TERM 2021-2022**

In the past two years, the Visayas State University has been adopting offline/online classes to deliver instruction due to the COVID 19 pandemic. In the Second Semester 2021-2022, limited face-to-face classes were conducted for graduating undergraduate and all graduate students due to the significant decline in COVID 19 cases which placed many parts of Region VIII under alert Level 1 and 2.

Due to the continued decline in COVID 19 cases, in fact there has been zero cases in the City of Baybay in the past months now, it is hereby proposed for VSU to return to face-to-face classes in all curricular programs and in all year levels (graduate and undergraduate programs, senior and junior high school) starting Midyear 2021-2022.

For the Midyear term, there are few courses offered, so there will be fewer students attending face-to-face classes. Some of the third year and graduating students will be conducting face-to-face internship and practicum courses.

Attached is the list of courses to be offered in the Midyear 2021-2022
