Dear President Tulin:

The Department of Agronomy would like to recommend the request of **Ms. Loreme S. Cagande**, to pursue Ph.D. program under the VSU Fellowship Program at the University of the Philippines (UP), Los Baños, Laguna this coming first semester of SY 2023 – 2024. Ms. Cagande is an MS degree holder who serves the department for more than three years already as a regular faculty and has taught numerous subjects in line with her position. As such she is already qualified to pursue postgraduate studies on enhancing her educational attainment. However, based on the approved Faculty Development Plan of the department, she was also aligned to partake in the said opportunity.

In this regard, the Department of Agronomy's Academic Personnel Committee would strongly recommend her application to the VSU Fellowship Program not only for her professional growth but also for the improvement of the University's Faculty Development Plan. She promised to follow all the rules and obligations as a Fellowship Grantee if she is given the utmost chance, with which a kind of manifestation and sincerity on her beloved University.

Thank you very much and more power.

Respectfully yours,
