Dear Dr. Alviola,

VSU, through NARC, will be signing an MOU with Ang Mananampalatayang Gumagawa (AMG) Philippines. AMG is a Christian NGO which is currently implementing the Fiber for the Future Project with Woord en Daad (WD), an NGO in the Netherlands, and other government agencies in the Philippines. They also want to partner with NARC in this project. We would like to ask if your team can cover this activity. Here are the details:

When: February 24, 2023 (Friday); 2 PM

Where: Conference Hall, NARC Research and Instructional Building (new building)

Please let us know if you are available and how many members of your staff are coming.
Thank you very much!
