Dear Dr. Tolibas,

Warm greetings!

We would like to thank you for attending or sending a representative on September 12, 2023 for the Conversation Session about A Good University organized by ISRDS.

In our first letter dated September 4, 2023, we invited 1 administrative staff from your college for the September 27, 2023 session. However, **this will be postponed on October 11, 2023**, because CHED will have an ocular visit in relation to the COPC application of ISRDS for its MS Development Sociology program on September 26-28, 2023. We only received the notice from CHED on September 19, 2023.

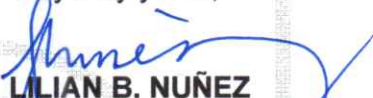

We kindly request that you cascade this information to the administrative staff that you have already invited to participate.

To gently reiterate, **we are inviting one (1) administrative staff from your college and/or department under your college**. The administrative staff should have either an **administrative aide** or an **administrative assistant position**. Kindly see below details below:
