Sir:

Greetings!

This is to inform your office that instead of retiring by January next year as mentioned in my letter dated March 29, 2021 (Attached), I will be extending it until my 65th birthday which is on July 12, 2022. This change in schedule is due to my involvement as Assistant Project Leader in a six months research project of the department entitled "***Evaluation of the Extension Service Delivery of the Abaca Industry in Eastern Visayas in Support to the Implementation of Investment for the Agriculture and Fisheries Modernization Plan (FMP) at the Local & National Levels or I-Plan Sub-Component 1.2.***" Attached is my appointment for the said research project.

Thank you very much.

Very truly yours,

FATIMA T. BALIÑA
