Dear Sir Mabalhin:

I am interested in applying for your vacant teaching position in the Department of Teacher Education .

I am a graduate of Bachelor of Secondary Education major in Physical Sciences at the Visayas State University- Main Campus. I am also a licensed professional teacher. My training and career practice throughout college until now provided me skills and best potentials to fill the job position that your school needs.

My personal advocacy as a teacher is always to promote a good appetite for learning especially in the field of my specialization. I believe that the noblest way to do it is to teach in a holistic and passionate manner. Moreover, I am hopeful that I can contribute my best efforts and abilities to help the department in maintaining its quality education.

Your response to this letter is highly appreciated.

Thank you for your time and consideration. God bless you.

Yours Sincerely,
