Dr. RUTH O. ESCASINAS
Department Head
Department of Agronomy
Visayas State University

Dear Ma'am Ruth:

Good day! I would like to reapply for the part-time instructor position in your department. I've been working in your department for four consecutive semesters and have gained a lot of experience in teaching and other related activities. Because of my work experience and Master of Science in Agronomy degree, I am confident that I am qualified for this position.

I have always believed that instructors have a long-term impact on the lives of their students. Thus, I want to share my knowledge and skills with future agriculturists and other students. I hope I can help motivate them to build on their strengths and abilities and become more competent in their respective fields.

Besides being an instructor in your department, I was also an agronomy student; so, I am aware of the high caliber of instruction you provide. Therefore, I wish to keep supporting the agricultural goals and the mission of the university.

I am confident that after reviewing my documents, you will see that I possess the qualifications you seek. Please contact me at angela.escototo@vsu.edu.ph if you have any further questions. Thank you for your consideration and time.

Truly yours,

ANGELA ESCOTOTO - ABABAT
