MANUEL D. GACUTAN JR
DEPARTMENT HEAD
Department of Animal Science

Dear Dr. Gacutan,

Good day!

I am writing to express my interest in the Part-Time Instructor position (Animal Science) at Visayas State University – Main Campus. I obtain my PRC license in the year 2022 after my graduation.

I was able to acquire my Bachelor's degree in Animal Science from one of the most prestigious schools, Visayas State University with a degree of Agriculture major in Animals Science. Throughout my academic journey, I developed not just my social skills but also great understanding on the animal productions and managements. I may have not the great experience in teaching but if given a chance to receive the privilege to teach, it's not just gaining incredible experience and limitless knowledge but also, I will be exerting my best to contribute meaningfully to the students and be a valuable asset to the University.

In addition to my academic credentials, I have a strong desire for teaching and a strong aspiration to assist students achieve. I acknowledge the significance of providing a supportive and engaging learning environment, and I am confident that my abilities to encourage student participation, provide constructive feedback, and promote a growth mindset will enable me to make a meaningful contribution to your institution. I believe that my desire for the subject matter and yearning in assisting students in reaching their best potential would make me an excellent candidate for this position.

I've attached my resume for your evaluation. Thank you for your time and attention. I'm excited about the opportunity to contribute to DAS as a part-time educator.

Sincerely yours,

MARVIN PIAMONTE
