Department Head
Department of Geodetic Engineering
Visayas State University

Dear Engineer,

I would like to apply for the vacant position as Instructor I for Geodetic Engineering department. I am one of the board passers of 2022 Geodetic Engineer Licensure Examination. I may have lesser experience in the practice of Geodetic Engineer but I will do my best on my part to hone my skills at work. Hoping for a positive response. God bless and more power.

Sincerely,

DAVID L. SALVADOR
