Dear **Sir**:

Greetings of peace and solidarity!

As posted in <https://jobs.vsu.edu.ph/?page=1>, the Visayas State University main campus is looking for one (1) administrative aide III (Utility Worker II) position with permanent status. In this connection, I would like to apply as a utility worker whose job code is **MAYCEU**.

I used to be in various departments of VSU as a farmworker and maintenance and utility/messenger. I am currently connected to the Department of Agricultural Extension Education as a Job Order whose job is a utility/messenger. I intend to serve and help this school, especially in the departments that need workers like this. My experiences hone my ability to work with less supervision. I am confident enough to contribute to the best of my ability to the said job that I am applying for.

Should you find my qualification adequate, I am willing to be called up for an interview at your most convenient time.

Thank you, and God bless!

Sincerely yours,

  
**JUANITO M. RIVERA, JR.**
