Dean, Faculty of Nursing

Dear **Dr. Yepes** and **Dean Baldonado**:

I am writing to express my interest in the Assistant Professor IV position at the Faculty of Nursing. With a master's degree, sixteen years of teaching experience, and a strong commitment to nursing education, I believe I can contribute significantly to the Faculty of Nursing's mission of producing skilled and compassionate nursing professionals.

I earned my Bachelor of Science in Nursing degree from Velez College and my Master of Nursing, specializing in Mental Health Psychiatric Nursing, from Cebu Normal University. I have a total of 16 years of teaching experience, including 9 years as a clinical instructor at Velez College and 6 years at Visayas State University. I have gained substantial experience in both clinical practice and academic teaching, particularly in Psychiatric Nursing, Medical-Surgical Nursing, Health Assessment and Anatomy and Physiology.

Since joining Visayas State University in 2019, I have played an integral role in shaping the next generation of nurses by utilizing evidence-based teaching strategies, facilitating hands-on clinical experiences, and actively contributing to curriculum development. I have been involved in curriculum design, mentoring students, and facilitating courses that prepare them for the dynamic challenges of modern healthcare. I am confident that my educational background, clinical expertise, and passion for nursing education make me an ideal candidate for this position.

Enclosed are my updated curriculum vitae, certificates of credentials, and other pertinent documents to support my application. I am enthusiastic about the opportunity to continue my journey at Visayas State University, where I can contribute to its ongoing tradition of excellence in education, research and social transformation.

Thank you for considering my application. I would be honored to further discuss my qualifications, and I look forward to the opportunity to hear from you soon.

Sincerely,
