To Whom It May Concern,

I am writing to express my interest in the position of part-time instructor in Visayas State University Integrated High School that is currently open and available. Allow me to share some of my qualities you can consider in evaluating my application.

First, I have satisfactorily earned my Bachelor's Degree in Secondary Education Major in Mathematics at Visayas State University Main Campus. I have graduated cum laude and one of the 11 recipients of the Student Teaching Proficiency Award by the College of Education. These distinctions would relatively imply that I, in one way or another, have embodied the core values of a Viscan which are relevance, integrity, truth, and excellence.

Second, I have quite a rich experience in terms of meeting different types of people and how to deal with them accordingly. At the age of 12, I have immersed myself in side hustles, which include being a computer shop attendant; a store helper to becoming a street-food vendor myself; freelance tutor; DSWD summer job worker; and just last year I juggled being a student while working as a customer service representative. In these side hustles, I learned that I love providing service, good service at that, to the people. In addition, I have developed my empathy skills. And, I believe that to be of service and to have empathy to people is a great combination to become an asset in your department, even though I am a beginning teacher.

Lastly, I believe that one of my perceived strengths is my creativity. I can be a creative individual, not just necessarily through Arts, but in terms of having ideas on a certain activity. It is one of my missions as a teacher to establish a creative learning space and employ creative activities for the students to have a meaningful experience. I firmly believe that when they have that kind of experience, that is when they truly learn. If given the opportunity to harness this skill, I am more than willing to show it to the best of my ability.

If you want to know further about me, my resume is provided on a different document. References are available upon request. I look forward to meeting with you soon.

Sincerely,

Louie Jay L. Lora
