JOEL Q. MABALHIN

Head, Department of Teacher Education

Visayas State University

Visca, Baybay City, Leyte

Sir:

I am writing to express my sincere interest in applying for a part-time teaching position at Visayas State University, Department of Teacher Education. As a dedicated educator with a passion for fostering student learning and growth, I believe my academic background, professional teaching experience, and commitment to excellence make me a suitable candidate for this role.

I am Aldriniel S. Verallo, Jr., and I have had the privilege of serving as a Part-time Instructor at Eastern Visayas State University from 2021 to May 2023. During my tenure, I was responsible for instructing various social sciences subjects to undergraduate students, which equipped me with valuable teaching skills and pedagogical techniques to engage and motivate learners effectively. This experience has allowed me to cultivate an inclusive learning environment that encourages students to think critically and develop a deep appreciation for the subjects I taught.

In 2019, I graduated with a degree in Bachelor of Secondary Education Major in Social Studies from a reputable institution. Subsequently, I successfully passed the Licensure Examination for Teachers in the same year, obtaining the necessary credentials to teach in an academic setting. Furthermore, my National Certificate II in Computer Servicing System complements my teaching expertise by integrating technology to enhance the learning experience.

Currently, I am serving as an administrative aide IV under the Protective Services Division at the Department of Social Welfare and Development Field Office VIII. While my current role has provided me with valuable administrative and organizational skills, my true passion lies in the field of education. I am eager to return to the academic setting to contribute my knowledge and expertise in fostering a conducive learning environment for the students at Visayas State University.

I am confident that my blend of teaching experience, educational qualifications, and dedication to student development align with the vision and mission of Visayas State University. I am enthusiastic about the opportunity to contribute to the academic community and collaborate with esteemed faculty members to continue the university's tradition of excellence.

Enclosed is my pertinent documents, which provides further details on my educational background, teaching experience, and professional achievements. I would be grateful for the chance to discuss my application in person during an interview, at your convenience.

Thank you for considering my application. I look forward to the possibility of becoming a part of the esteemed faculty at Visayas State University and making a positive impact on the lives of the students.

Sincerely,

Aldrinie S. Veralllo, Jr.
