EDGARDO E. TULIN, Ph.D.

President
Visayas State University
Baybay City, Leyte

SIR:

Greetings!

With a burning passion to share my knowledge and experiences, I want to apply the position of a Social Studies instructor in your university. I have finished my bachelor's degree in Secondary Education major in Social Science at Leyte Normal University. I passed the Licensure Examination for Teachers last September 2018.

After graduation, I applied as a tutor at Ladder Tutorial Center, to expose myself early in different challenges as an educator. I stayed in that institution for a year and ended my term with a grateful heart.

I've worked also as a part time Social Studies instructor at Eastern Visayas State University Tanauan Campus (EVSUTC), and it give me an opportunity to harness my skills in teaching. I handled second year students with different courses and within that, I had given an effective classroom management and challenging activities that reached their level of interest to participate in my class.

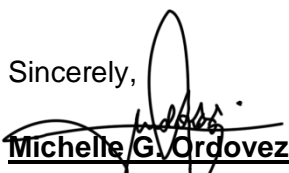

Currently, I am working at Visayas State University Integrated High School, Baybay City and my contract will end this July 2021. I am a part time instructor here teaching social studies subjects in high school, senior high, and college.

Managing a diverse individual proved a difficult task, but it serves as a challenge for me. My experience makes me aware of the student's needs and develop the right assessment and strategies to aid their difficulties.

Believing that Education is the most powerful weapon we can use to change the world and with all the qualities, knowledge, and skills that I have, I hope to be part of your university. My goal is to provide a learning environment that encourage students to give their best.

Thank You and God bless!

Sincerely,

Michelle G. Ordovez
