Dear Ma'am,

A pleasant day to you!

I am writing to express my interest for the position of Science Aide in your good office.

Having recently obtained my Bachelor's Degree in Agriculture major in Plant Protection (Plant Pathology) in the Visayas State University (VSU), I believe I am equipped with the necessary knowledge and skills for the said position. I am also currently working as a Science Research Assistant in the Department of Agricultural Education & Extension which made me familiar with the said position.

I look forward to hearing from you about the progress of my application. If you have any further questions or require any additional documentation, please contact me using the above information.

Thank you and God bless.

Respectfully yours,

RACHELLE/ANN. BARBOSA
