Dr. Andrew A. Mazo
Institute of Human Kinetics
Visayas State University
Baybay City, Leyte Philippines 6125

Dear Dr. Andrew A. Mazo,

I am writing to express my interest in the part-time Physical Education Instructor position at the Institute of Human Kinetics, as advertised. As a recent graduate with a bachelor's degree in Physical Education, I am eager to bring my knowledge, enthusiasm, and dedication to your esteemed institution.

During my academic career at Visayas State University, I developed a strong foundation in physical education principles, kinesiology, and sports science. I have also completed various internships and practical training sessions that have equipped me with the skills needed to effectively teach and motivate students. My experience as a Varsity and student-athlete throughout the years can be a great benefit when it comes to teaching physical fitness and sports-related programs.

I am particularly drawn to the Institute of Human Kinetics because of its commitment to excellence in physical education and its emphasis on holistic student development. I am confident that my passion for physical education, combined with my ability to connect with students, makes me a strong candidate for this position.

I look forward to the opportunity to discuss how my background, skills, and certifications align with the needs of your program. Thank you for considering my application. I am available at your earliest convenience for an interview and can be reached at 09198556432 or via email at margaretposas@gmail.com.

Sincerely,

Mary Louise Margaret S. Posas
