

**FEDILITO M. ALMERODA**

**PERSONAL DATA**

Birth Date : February 15, 1969  
Place of Birth : Gabaldon, Nueva Ecija  
Home Address : Brgy. Guadalupe, Baybay, City,  
Leyte  
Mobile No. : +639261818052/+639380356190  
E-mail : fedilitoalmeroda@gmail.com  
Field of Interest : Forest Botany, Biodiversity Conservation, Community Forestry,  
Community-Based Propagation of native tree species

**WORK EXPERIENCE**

January 2021- Present	<b>Science Research Aide</b> Institute of Tropical Ecology and Environmental Management Under the project ECo-SAP Visayas State University Visca, Baybay City, Leyte
January 2017-Dec. 2020	<b>Science Research Aide</b> Institute of Tropical Ecology and Environmental Management Visayas State University Visca, Baybay City, Leyte
January 1999- Dec. 2016	<b>Laborer</b> Institute of Tropical Ecology and Environmental Management Visayas State University Visca, Baybay City, Leyte
January 1997-Dec. 1998	<b>Laborer</b> GTZ Visayas State University Visca, Baybay City, Leyte

**EDUCATIONAL BACKGROUND**

June 1987	:	Bachelor of Science in Forestry Undergraduate Visayas State College of Agriculture Visca, Baybay, Leyte
March 26, 1987	:	Secondary Education Experimental Rural High School Visca, baybay, Leyte
March 1983	:	Primary Education Gabas Elementary School Brgy. Gabas, Baybay, Leyte

#### RELEVANT TRAININGS/SEMINARS/CONFERENCES AS SPEAKER/PRESENTER

- Rainforestation Trainer's Training on April 22-27, 2009 at the Visayas State University, Visca, Baybay, Leyte.
- Rainforestation Trainer's Training on May 18-22, 2009 at the Visayas State University, Visca, Baybay, Leyte.
- National Trainers' Training on Rainforestation on December 1-6, 2009 at the Visayas State University, Visca, Baybay, Leyte.
- Training on Rainforestation for Protection for Protected Area Superintendents on February 1-5, 2011 at the Visayas State University, Visca, Baybay, Leyte.
- Training on Rainforestation on May 14-16, 2012 at the Institute of Tropical Ecology and Environmental Management, Visayas State University, Visca, Baybay City, Leyte
- Training on Rainforestation on May 7-9, 2012 at the Institute of Tropical Ecology and Environmental Management, Visayas State University, Visca, Baybay City, Leyte.
- Training on Rainforestation on August 8-11, 2012 at the Institute of Tropical Ecology and Environmental Management, Visayas State University (VSU), Visca, Baybay City, Leyte.
- Rainforestation Orientation and Cross-Visits on March 3-4 2015 at the Institute of Tropical Ecology and Environmental Management, Visayas State University (VSU), Visca, Baybay City, Leyte, Philippines.
- National Trainers' Training on Rainforestation on May 18-22, 2015 at Visayas State University, Visca, Baybay City, Leyte.
- National Trainers' Training on Rainforestation on November 4-8, 2015 at Visayas State University (VSU), Visca, Baybay City, Leyte.
- Rainforestation Training from December 16-18 of the Bioculturaldiversity Conservation in the Balinsasayao Twin Lakes Natural Park project.
- Training -Workshop in Bamboo Nursery Establishment and Plantation Management held at the Visayas State University, Visca, Baybay City, Leyte on June 19-21 2017.
- Climate Change and Community-Based Ecosystem and Disaster Risk Management on

February 21-23, 2019 at Caibiran, Biliran.

- International Training of Trainers on Rainforestation on April 22-26, 2019 at Visayas State University, Visca, Baybay City, Leyte, Philippines.
- Training Course on Nursery Establishment and Community-Based Seedling Production in Basey, Samar from 16-18, 2019.
- Rainforestation Training for Climate-Resilient Recovery on November 20-22, 2019 at Palapag, Northern Samar.
- Restoration Boot camp for Tropical Asian Forests on June 17-22, 2019 at Visayas State University, Visca, Baybay City, Leyte, Philippines.

## RESEARCHES ASSISTED

- Ecological Assessment and Conservation of *Aquilaria* species through Sustainable Agarwood Production in Leyte Island, Philippines (Eco-SAP)
- Systematic Analyses of Selected *Shorea* Roxb. ex C.F. Gaertn. in Comparison with the Wingless Dipterocarp Found in Negros, Philippines with support from the Rufford Small Grants Program, Rufford Foundation, United Kingdom
- Establishment and development of a community-based forest ecology trail (Long-term Experimental Research Plots in Brgys. Katipunan and Catmon, Silago Southern Leyte)
- Monitoring of Existing Rainforestation cooperator's/adopter's farm using Geographic Information System (QGIS Mapping)
- Upscaling Rainforestation through conducting trainings in different government and non-government sectors of the Philippines with support from the Environmental Leadership and Training Initiative (ELTI) of the Yale School of Environment, Yale University

## SCIENTIFIC PUBLICATION

Marlito M. Bande<sup>1</sup>, Reneza S. Come<sup>2</sup>, Sheilyn E. Abad<sup>1</sup>, Jimmy O. Pogosa<sup>1</sup>, Hernando L. Mandal, **Fidelito M. Almeroda<sup>1</sup>** and Elmer M. Napoles<sup>1</sup>. Biomass Production, Carbon Stock, and Carbon Sequestration of Dipterocarps at Seedling Stage in Response to Light and Nutrient Availability

## CHARACTER REFERENCE
