DR. JOEL Q. MABALHIN

Department Head
Department of Teacher Education
College of Education
Visca, Baybay City, Leyte

Greetings!

It is my desire to do public service. I am reaching out to you about a job vacancy in your office. I have a great interest in this advertisement and it is my desire to reapply in this position offered by your department.

For the First Semester of School Year 2020-2021, I have served my post as a Part-time Instructor in your department handling Professional Education, Special and Inclusive Education, and Filipino Major subjects. I have learned a lot from this transition of the teaching instruction from the old to the new normal in this time of pandemic. I really like the working environment along with my colleagues and I learned a lot from my superiors in the wisdom that they have provided me. I have seen my professional growth inside the department and with these reasons along with my desire to develop myself more and to teach, the purpose of my reapplication is clear and intact.

I am a Licensed Professional Teacher at present. I finished as cum laude with my degree Bachelor of Secondary Education Major in Filipino along with my Basic and Advance Military Science Courses offered by the Army through the Reserve Officers' Training Corps.

I greatly appreciate the time that you have allocated in reading this letter. I really look forward to hearing from you about the progress of my application. For further inquiries about me, please don't hesitate to contact.

Best wishes,
