

## DELINA L. GEROBISE

Brgy. Villa Mag-aso, Baybay City, Leyte  
09500430337  
dgerobise@gmail.com

### Objectives

- Dedicated and detail-oriented with teaching and research experience, I am seeking to apply and develop my expertise in both curriculum and research development

### Personal Background

**Birthdate:** April 18, 1996

**Marital Status:** Single

**Height:** 1.52 m

**Weight:** 54 kg

### Educational Attainment

- **Master of Science in Plant Pathology**  
Minor in Weed Science  
Visayas State University  
DOST-ASTHRDP Scholar  
AY 2024-2025
- **Bachelor of Science in Agriculture**  
Major in Plant Protection with specialization in Weed Science  
Visayas State University  
DOST-SEI Scholar-JLSS  
AY 2019-2020  
**Cum Laude**
- **Certificate of Agricultural Science**  
Visayas State University  
AY 2017-2018  
**With Honors**
- **High School Diploma**  
Baybay National High School

AY 2011-2012

- **Elementary Diploma**  
Gacat Elementary School  
AY 2007-2008

## **Work Experiences**

- **Science Research Assistant**  
National Abaca Research Center, VSU  
February- September 2024
  - Performed laboratory activities such as isolation and characterization of microorganisms, and molecular analysis of plant virus
  - Supervised student trainees
  - Prepared and processed documents needed for the research project
- **Part-time Instructor**  
Department of Pest Management, VSU  
August 2023- December 2023
  - Conduct pre-lab discussion,
  - Prepared and conducted ppt presentation, quizzes/exams, specimens, materials, and equipment
- **Student Researcher**  
Department of Pest Management, VSU
  - Conducted experiments related to Crop Protection during BS and MS courses
  - **BS thesis** entitled “Detection of Bunchy top viruses in weeds associated with Abaca (*Musa textilis* Nee) in Mahaplag, Leyte by Polymerase Chain Reaction
  - **MS thesis** entitled “ Comparative Analysis of Selected Polymerase Chain Reaction (PCR) Protocols for Molecular Detection of Banana bunchy top virus (BBTV) in Abaca, (*Musa textilis* Nee)

## **Seminar/Webinars Attended**

- **Advancing Frontiers of Biotechnology: Exploring Gene Editing in Crops and Animals**  
International Service for the Acquisition of Agri-biotech Applications (ISAAA)

August 22, 2024

- **Developing Diagnostic Tools for Rapid Plant Disease Detection**  
Philippine Rice Research Institute  
July 31, 2024
- **Basic Sample Preparation Techniques of Biological Samples for Scanning Electron Microscopy (SEM)**  
University of the Philippines (UP)-BIOTECH  
July 25, 2024
- **Webinar Lecture on the Management of Biological and Chemical Wastes**  
UP-Baguio  
May 6, 2024
- **Forum on Metabolic Engineering, Chronobiology, Nanotech Application**  
Department of Pest Management, VSU  
March 21, 2024
- **2024 Research Writeshop**  
Visayas State University  
February 21, 2024
- **Training Workshop on Preparing Manuscript for Publication**  
VSU Graduate School  
March 29-31, 2024
- **2022 National Summit for Biodiversity Conservation**  
Foundation for the Philippine Environment  
April 20, 2022

### **Membership in Association/Organization**

- VSU Alumni Association
- Philippine Phytopathological Society

### **References**

**Dr. Flora Mia Y. Duatin**  
Graduate School Professor  
Department of Pest Management  
Visayas State University

**Dr. Robelyn T. Piamonte**  
Department Head  
Department of Pest Management  
Visayas State University
