Dear Hiring Manager Officer,

Good day!

My name is Ma. Christine E. Ibay, a Bachelor's degree holder from Leyte Normal University. I am writing here because I am interested in applying for a faculty position in your institution.

I already passed the Licensure Examination for Professional Teachers last September 2019 and has a teaching experience for almost 5 months. I believe that with my teaching experience, commitment and determination it would make me an ideal candidate for the position.

I was put into a challenging environment where I have to mentor students in a class with different measures of intelligence. The experience I have accomplished allowed me to

demonstrate creative thinking and perseverance to ensure that all of my students were learning. Having the ability of being committed to work, I am excited of working alongside your staff and administration to establish my professional growth.

In addition, I was able to develop good communication and interpersonal skills by joining organizations and participating to the universities activities such as verse choir, singing rondalla and others.

I may not have a Master's degree yet that you prefer in the position but I assure you that I will do my best to provide excellent work and delivery of the content to students. Attached is my resume and other pertinent documents for further reference. I hope that, after receiving, you will agree that as a faculty member I would be a valuable addition to your institution. I would look forward to meeting with you to provide any additional information if needed. Thank you for your time and consideration.

Sincerely,

Ma. Christine E. Ibay
