ROSARIO P. ABELA

Department Head
Department of Teacher Education
Visayas State University
Visca, Baybay City, Leyte

Dear Ma'am:

Greetings!

I am **Hazelyn Y. Sorila**, a Bachelor of Physical Education graduate from Leyte Normal University. I graduated with Latin honors and recently passed the licensure examination for teachers with a rating of 90.60. I am writing to express my interest in applying for the **FACULTY POSITION** as a **Physical Education Instructor** at Visayas State University, Baybay City.

I had some experiences in teaching throughout my pursuit of becoming an educator. I gained experiences during our teaching internship where I got to be mentored by two incredible STEs and even had the chance to be recognized for my skills i.e., best in teaching demonstration for online. During my undergraduate season, I have developed a solid foundation in teaching which I still bring with me up to this day. These principles include facilitating an inclusive learning environment where students can be themselves without fear and inhibitions; encouraging participation among learners without compromising their safety; and engaging them in fun yet meaningful learning activities.

I was a part of the LNU Performing Arts Group, specifically the LNU Hip-Hop Generals, and was elected as the vice president in my senior year, which allowed me to develop my skills in dancing, leadership, and management. Moreover, I am quite adept in utilizing educational technology tools, including different software and creating impactful PowerPoint presentations, designing on Canva, etc.

Lastly, I possess the ability to create engaging and inclusive lessons that could cater to a wide range of student needs and also encourage active participation among learners. As a teacher, my primary focus lies on fostering a positive learning environment while ensuring that the objectives that I have planned are met.

I am certain that you will receive a lot of applications but I hope that you may find mine worth your consideration. I believe that with my skills and academic record, I am qualified for the job.

Thank you for considering my application. Should you require any additional details, you can contact me at my contact number, 09945463277, and my active email address, hazelynsorila@gmail.com.

I look forward to hearing from you. May the Almighty God bless you.

Very truly yours,

Hazelyn Y. Sorila
Applicant
