Dr. Prose Ivy G. Yepes
University President
Visayas State University
VisCA, Baybay City, Leyte

Dear Dr. Yepes,

I am writing to express my profound interest in the permanent teaching position at the Department of Mathematics, at Visayas State University, VisCA, Baybay City, Leyte. With a comprehensive seventeen (17) years of teaching experience, coupled with significant administrative roles and a strong academic background in both Statistics and Mathematics, I am confident in my ability to make substantial contributions to your esteemed institution.

My extensive teaching career spans various academic environments, including two and a half (2.5) years here at Visayas State University, two (2) years at Cebu Technological University, and twelve (12) years at Bato Institute of Science and Technology (BIST). This diverse experience has equipped me with a deep understanding of pedagogical approaches and the ability to connect with students from varied backgrounds.

Beyond teaching, I have actively engaged in administrative duties, serving as a Research and Extension Coordinator and NSTP Director at BIST. These roles have honed my organizational and leadership skills, and my involvement in advising and analyzing numerous student researches reflects my commitment to fostering academic inquiry and development. My practical experience also extends to data analysis and tutoring, which I pursue as a side hustle, further enhancing my analytical and instructional capabilities.

Academically, I hold a Bachelor of Science in Statistics from Visayas State University. I furthered my postgraduate studies by completing 33 units of Master of Science in Mathematics at Cebu Normal University in Cebu City. I successfully finished my Master of Arts in Teaching Mathematics at Southern Leyte State University, Main Campus, which provided me with specialized knowledge in mathematics education. Additionally, I earned a Certificate of Professional Education from Bato Institute of Science and Technology, solidifying my qualifications as an educator.

My unique blend of extensive teaching, administrative leadership, research guidance, and specialized mathematical expertise aligns perfectly with the demands of a faculty position at the Department of Mathematics. I am eager to bring my dedication and skills back to VSU and contribute to its mission of academic excellence and community service.

Thank you for considering my application. I have attached my curriculum vitae for your review and welcome the opportunity to discuss how my qualifications and experience can benefit Visayas State University. I can be reached at 09356082425 or via email at abucaypearlred@gmail.com.

Sincerely,
