Dear HONEY SOFIA V. COLIS,

I hope this email finds you well. I am writing to express my interest in the Computer Maintenance Technologist I position at your university. With a strong background in computer technology and a passion for technical support, I am excited about the opportunity to contribute to your team.

I hold a Bachelor's degree in Computer Engineering Technology from Eastern Samar State University (ESSU) Guiuan. I began my career as a computer technician, gaining extensive hands-on experience in maintaining and troubleshooting various computer systems. My practical knowledge is further enriched by my role as a college lecturer at ESSU Guiuan, where I teach the Bachelor of Technology in Computer Engineering Technology course. This position has allowed me to stay current with industry trends and advancements, which I can bring to your organization.

Additionally, I have earned a TESDA certification in Computer System Servicing, further validating my technical skills and expertise. My experience in both practical and educational settings has equipped me with a unique perspective and a comprehensive understanding of computer maintenance and support.

I am confident that my background, coupled with my commitment to excellence, makes me a strong candidate for this position. I am eager to bring my skills and enthusiasm to your university and contribute to your continued success.

Thank you for considering my application. I look forward to the opportunity to discuss how my background, skills, and certifications align with the needs of your team. Please find my documents attached for your review.

Best regards,

Raul O. Bantay Jr.
