PAULO G. BATIDOR

Head, Department of Statistics

Visayas State University

Visca Baybay City, Leyte

Dear Sir,

I am writing to express my interest in the Instructor position in Department of Statistics at Visayas State University. As a highly motivated and dedicated educator, I believe that my skills and experience make me a strong candidate for this role.

I have a Bachelor's degree in Secondary Education - Major in Mathematics from Visayas State University with ample trainings and teaching experience during student teaching at Gabas Integrated School and VSU - Laboratory High School and graduated as a Cum Laude. In my previous role at Gabas IS and VSU - IHS, I have harnessed my teaching prowess and expertise. These experiences have allowed me to develop strong skills in teaching any fields in mathematics and related fields and am confident that I would be able to bring these skills to your team and make a valuable contribution to the university.

In addition to my technical skills, I possess excellent communication and interpersonal skills, and I thrive in fast-paced and dynamic environments. I am a quick learner and am always looking for new challenges to further my professional growth and willing to be trained for further development.

I am excited about the opportunity to join your team and contribute to the university's success

Thank you for considering my application. I look forward to the opportunity to discuss my qualifications further.

SINCERELY,

JOHN NIMAR M. BARAL
