EUSEBIO R. LINA JR.

Department Head

Department of Mathematics

Visayas State University

Visca, Baybay City, Leyte

Dearest Sir Lina,

I am writing to express my strong interest in applying for the part-time instructor position at the Department of Mathematics, as advertised. With a passion for mathematics and a commitment to fostering a positive learning environment, I believe my skills and experiences align well with the requirements for this role.

I have completed my Undergraduate Studies at Visayas State University with the degree of Bachelor of Secondary Education Major in Mathematics, and currently enrolled at Palompon Institute of Technology—Master of Arts in Education Major in Mathematics. My academic background, coupled with my hands-on experience in teaching internship at VSUIHS and in Baybay National High School, has equipped me with the knowledge and skills necessary to effectively contribute to the Department of Mathematics.

I am particularly drawn to Department of Mathematics, because of its reputation for academic excellence and its commitment to providing students with a supportive and enriching educational experience. I am eager to contribute to the department's mission and share my enthusiasm for mathematics with students. And its been my dream to help and teach students in my beloved Alma Mater.

Thank you for considering my application. I am enthusiastic about the possibility of contributing to the academic community at VSU—Department of Mathematics, and I look forward to the opportunity to discuss my candidacy further.

Sincerely,

JOSHUA G. VELARDE
