CHARIS B. LIMBO - RIVERA  
Department Head  
Institute of Human Kinetics  
Visayas State University  
Visca, Baybay City, Leyte

Dear Sir/Madam:

I am writing to express my keen interest in the teaching position at Visayas State University as advertised. With a solid background as a tutor and a commitment to continuous professional development, I am confident in my ability to bring a dynamic and enriching educational experience to your school.

I recently completed my Bachelor's degree in Bachelor of Physical Education from Eastern Visayas State University Ormoc Campus and passed my licensure exam last March 19, 2023 and am currently enrolled in a Master's program in Master of Arts In Education Major in School Administration and Supervision at Western Leyte College of Ormoc. This academic journey has equipped me with advanced knowledge in my field and a deeper understanding of effective teaching methodologies. I am eager to apply this knowledge in a classroom setting at Visayas State University Main Campus

During my time as a tutor, I had the opportunity to work with diverse groups of students, tailoring my teaching approach to meet the individual needs of each learner. This experience has honed my ability to create engaging lesson plans, foster a positive and inclusive learning environment, and adapt to various learning styles.

My commitment to professional growth is reflected in my decision to pursue a Master's degree. This ongoing education not only deepens my subject matter expertise but also keeps me informed about the latest pedagogical practices and educational research.

I am particularly drawn to Visayas State University-Main Campus because of its reputation for excellence in education and its focus on nurturing well-rounded, responsible individuals. I am excited about the possibility of contributing to this environment by bringing my passion for education and my commitment to fostering a love of learning among students.

Enclosed with this letter is my resume, providing additional details about my academic background, teaching experiences, and skills. I would welcome the opportunity to discuss how my qualifications and dedication to ongoing professional development make me an ideal candidate for this position during an interview.

Thank you for considering my application.

Sincerely,

Lucañas, Riselle Mae B.
