PROF. ZYRA MAY H. CENTINO

Department Head

Department of Economics

Visayas State University

Visca, Baybay City, Leyte

Dear **Dr. Centino**:

Greetings!

I've seen your post in the VSU jobs portal that you are in need of an Agricultural Economics Instructor in your department at Visayas State University. In line with this, I am writing to express my interest in applying for the said position. I have an earnest desire to work and be a valuable addition to your organization.

Working as a Science Research Assistant in the Visayas Consortium for Agriculture, Aquatic, and Natural Resources Program (ViCARP), I've acquired knowledge and developed research skills that would be helpful in your research in your department. I have also worked with different kinds of people during the trainings and symposiums I've facilitated and coordinated, which has made me a more flexible person. Additionally, I have some practical experience in finances as I am assigned to financial monitoring in the consortium.

I have always been passionate about teaching, and if given the opportunity, I'm willing to use and share my knowledge and skills with the students and help them develop the skills and capabilities that they have.

I would be honoured to be part of your team, and I would appreciate the chance to come for an interview.

Thank you very much.

Sincerely yours,

LYRA KATRINA M. MALPAS
