ENGR. MARTIN E. MERCURIO

Department Head
Department of Geodetic Engineering
Visayas State University
Visca, Baybay City, Leyte

Dear **Engr. Mercurio:**

Greetings!

I, **Feljun D. Sagliba**, a licensed Geodetic Engineer, earnestly intend to apply as part-time instructor in VSU-GE Department. I have experienced working in industry and teaching land laws in the department.

I am exposed to online, face to face and hybrid classes, for I am also currently a student. I believe that my job experiences will be helpful in imparting my knowledge and experiences to aspiring Geodetic Engineers.

Attached herewith are my supporting documents for your reference and perusal. I can be reached anytime via email feljun.sagliba@vsu.edu.ph or mobile phone number 09551396047.

Thank you very much for any consideration you may give to this letter.

Respectfully yours,

FELJUN D. SAGLIBA
