

FELY CAÑETE FALCONE

Licensed Agriculturist

MS Plant Pathology minor in Weed Science (Graduating)

+63 9487004608 ● felycanete25@gmail.com

Special skills

- Knowledge in office applications (i.e. Microsoft Word, Excel, Powerpoint)
- Knowledge on disease identification, isolation and management
- Knowledge on weed identification and management
- Integrated Pest Management
- Report and Scientific Writing
- Data Collection and Management
- Knowledge in Statistical Design & Analysis

Personal skills

- Good interpersonal communication skills
- Team player
- Highly organized and efficient
- Can work under pressure and multi-tasking

Professional Experience

Science Research Assistant. VSU. August 2015-December 2017

- Integrated Crop Management (ICM) to enhance vegetable profitability and food security in the Southern Philippines and Australia. ACIAR Funded.

Science Research Aide. VSU. February 2014-March 2015

- Biological control of the abaca corm borer weevil with entomopathogenic nematodes (EPN).

Job order employee. LGU-Ormoc. July-October 2013

Publications

- Borines LM, Sagarino RM, Cañete FR, Oclarit EL, Gonzaga ZC, McDougall S and Tesoriero L. 2017. Managing major diseases of Tomato (*Solanum lycopersicum* L.) using resistance elicitors and protected cultivation. Annals of Tropical Research 39 (Supplement B):40-53.
- Borines LM, de la Cruz MM, Cañete FR, Gonzaga ZC, Capuno O, Rogers G, McDougall S and Tesoriero L. 2017. Efficacy of wood vinegars for the control of *Sclerotium rolfsii* affecting tomato (*Solanum lycopersicum* L.). Annals of Tropical Research 39 (Supplement B):54-68.
- Borines LM, Nuñez JAC, Duero N, Sagarino RM, Cañete FR, Oclarit EL, Gerona RG, McDougall S and Tesoriero L. 2017. Inventory and incidence of plant diseases affecting vegetables in selected areas in the Visayas and Mindanao. Annals of Tropical Research 39 (Supplement B):22-39.

Education

Master of Science in Plant Pathology minor in Weed Science (Graduating) / VSU

DOST-ASTHRDP NSC Scholar

Antifungal activity of selected weed extracts against *Colletotrichum* sp. and *Phytophthora* sp. infecting Queen Pineapple (*Ananas comosus* (L.) Merr *comosus*)

BS in Agriculture / VSU / 2013

PMCPFI (Pest Management Council of the Philippines Foundation Incorporated) Thesis support awardee
Response of medicinal weed gatas-gatas [*Chamaesyce hirta* (Linn) Millspaugh] to different growth media.”

Secondary / New Ormoc City National High School (NOCNHS) / 2009

Primary / Milagro Elementary School / 2005

Valedictorian

Trainings/Seminars/Conferences

- National Certificate II in Agricultural Crop Production (2020)
- National Certificate II in Organic Agriculture Production (November 2019)
- 2019 SUC-ACAP, Inc. Annual Convention (May 22-24, 2019)
- 29th Joint ViCARP and RRDEN Regional Research, Development and Extension Symposium (November 27-28, 2017)
- 16th National Vegetable Congress (September 27-29, 2017)
- Workshop on Best Practices for Vegetable Production (August 23-24, 2017)
- ACIAR-PCAARRD Philippines Horticulture Program Annual Review Meeting (July 17-18, 2017)
- Vegetable Integrated Crop Management Manual Writeshop (October 03-07, 2016)
- Alternative Teaching Approaches: Do you think we are ready? (July 28, 2016)
- Training Workshop on Writing Scientific Papers for Peer-reviewed Publication (June 6-10, 2016)
- “Developing an IPM System: Process and Tools and Pesticides-Tools or Toxins?” by Dr. Sandra MCDougall (February 23, 2016)
- 2nd National Organic Agriculture Scientific Conference with the theme, “ Go Organic...For Health, Resiliency and Sustainability” (February 16-20, 2016)
- Master Class Training of ACIAR Vegetable Integrated Crop Management (ICM) (January 18-22, 2016)
- 27th Joint ViCARP and RRDEN Regional Research, Development and Extension Symposium (December 3-4, 2015)
- Training Course on Integrated Crop Management for Vegetables (August 17, 2015)
- ACIAR-PCAARRD Philippines Horticulture Program Annual Review Meeting (August 13-14, 2015)
- 25th Joint ViCARP and RRDEN Regional Research, Development and Extension Symposium (June 2014)

Recognition

- Certificate of Recognition. Best Poster Award (2nd place). “Kamlong”: A ‘Sure-Ball’ Technique of Tomato Production. ACIAR-PCAARRD Philippines Horticulture Program Annual Review Meeting (July 17-18, 2017)
- Certificate of Recognition. Best Paper Presentation. Integrated Crop Management (ICM) to Enhance Vegetable Profitability and Food Security in the Southern Philippines and Australia (July 17-18, 2017)
- Certificate of Recognition. Best RDE Poster. Integrated Crop Management (ICM) to Enhance Vegetable Profitability and Food Security in the Southern Philippines and Australia (December 3-4, 2015)
