

AUGUST 31, 2022

VISAYAS STATE UNIVERSITY

Ma'am/Sir,

Greetings!

To uplift my intellectual aspiration and educational capabilities prompted me to send this application letter. I would like to take this opportunity to express my willingness to apply as a **Social Science Teacher**. I am **Ronalyn G. Cajudo**, I earned my Bachelor of Secondary Education degree at **Leyte Normal University** with **Social Science** as my field of specialization. I also passed the Licensure Examination for Teachers last March 27, 2022 with board rating of 82.20%. Currently taking Master of Education in Social Science at Eastern Samar State University gained 24 units.

I previously worked as a Junior and Senior High School teacher at **Notre Dame of Jaro, Inc.** for five (1) fruitful year. Having been sent to various local trainings and seminars aside from being a full-time teacher, my teaching experience in this prestigious institution allowed me to grow personally and professionally as an educator. My teaching experience includes several built-up settings with diverse student differences. My teaching experiences and being staff personnel afforded me the opportunity to assume all the responsibilities of a teacher at multiple category levels. I still would love to apply my learning and continue my passion in shaping the hearts and minds of today's youth while furthering my skills.

As required, enclosed is a copy of my baccalaureate and other pertinent papers. If my application has convinced you of my ability, I should welcome the opportunity to talk with you that may judge my personal equalities and qualification further. I can be reached anytime via e-mail at ronalyncajudo@gmail.com or in my mobile number 09104457726.

In anticipation of your favorable response, thank you so much!

Most sincerely,

RONALYN G. CAJUDO

Applicant
